

Dear Dr. COX-CID

RE: Cox® Table in Memory of Sharina Gudavalli DC

We are following up with you from the Part III Cox® Seminar in Fort Wayne a couple weeks ago. At that seminar, **Dr. Ralph Kruse** presented one of the several papers he and Dr. Sharina were working on at the time of her untimely death on June 23, 2007. The desire to "do something" in her memory by so many was presented to **Dr. Ram Gudavalli, Dr. Sharina's father and flexion-distraction's principal researcher**. Dr. Ram took time to consider what might be most appropriate.

At the seminar, **Dr. Cox** announced that a table would be placed in a clinic that served a community's less fortunate and that he would be the first to **donate \$1000** to this memorial.

Thank you to all of you who wrote a check on the spot and told me to be sure to keep in touch once the details for the donation were established.

WHERE THE TABLE WILL GO ...

Since the seminar, Dr. Ram has worked with Palmer University to establish a special collection fund to gather the funds to purchase a table and put it in the **Palmer Outreach Clinic** in Dr. Sharina Gudavalli's name.

WHERE TO SEND THE DONATION ... AND HOW TO GET A TAX-DEDUCTIBLE RECEIPT

Karla Johnson, the Senior Development Officer of Palmer College, will receive the funds, send a tax-deductible receipt to the donator (give her your address!), and arrange for the purchase and placement of the table.

DONATION...

Any amount is more than appreciated. Thank you. You can

1 - send a check

- made out to "**PALMER COLLEGE OF**

WHO SHARINA IS...

Dr. Sharina was a most giving person in her community relationships, in her personal relationships and her professional relationships. She was the shining light in working with doctors to publish their case reports and papers. We miss her deeply!

Dr. Ram has relayed several stories from her youth and young adulthood of her concern for the less fortunate, and he thought putting a Cox® Table in a clinic that reaches out to the less fortunate would be most appropriate.

Her being a Palmer graduate as well, Palmer is most appreciative of this opportunity to help honor her as well.

Please feel free to contact Dr. Ram, Julie or

CHIROPRACTIC"

- memo line "The Cox® Table in Memory of Sharina Gudavalli DC":
