Cox® Technic is a chiropractic spinal manipulation treatment protocol reportedly used by 63.7% of chiropractic physicians.
[NBCE 2010 Report]

The **Cox® Technic System of Spinal Pain Management** incorporates the biomechanical and clinical skills based on research-tested and proven protocols to relieve spine pain related to disc and non-disc causes.

Cox® Technic is an **evidence-based** system of examination, diagnosis, treatment and patient education using published research to control spine pain non-surgically. Appropriate protocol implementation produces quality clinical results.

*Great for Re-Certification doctors! If you'd like to present a case, let us know! **Join us! All are WELCOME!!**

Important: Every attempt is made to offer this program as publicized. However, F/D Enterprise, LLC, and/or the NUHS Postgraduate Division reserve the right to adjust program dates, locations, times, instructors, etc., to accommodate unexpected faculty or student needs and cancel due to insufficient enrollment. For this reason, we do not recommend at-the-door registration without prior confirmation of seminar status. Attendance will be limited; please register for the program prior to making arrangements (hotel, travel). F/D Enterprise, LLC, and NUHS are not responsible for any expenses incurred by registrants due to program adjustments or cancellation. **If license renewal credit is needed, please inquire if this course is approved for your state. If you cannot attend a registered course, you will have a year from date of payment to use the credit paid already toward another seminar. No refunds.** There is a \$30 registration transfer fee plus any difference (if applicable) in tuition for the future course. **NOTE:** Audio and video recorders are **NOT** permitted.
